There was a Giraffe  
Whose name was Ned  
He ate blueberry jelly  
On pieces of bread

Because he eats right,  
He runs faster too  
He still has his spots  
But they're no longer blue.

He ate so much jelly  
His brown spots turned blue  
And that wasn't all  
His tummy hurt too

"If you eat the food  
From this pyramid,  
You'll always feel better,"  
So that's what Ned did.

"

"

"No wonder you're sick,"  
Said his friend Sid  
"You need to eat food  
From the food pyramid."

"He's right you know,"  
Said Monkey Nellie  
"You have to eat more  
Than bread and jelly."
